# Drinking Games

## Presidential Debate

### What you'll need:

CNN or an Online Stream of the Debate  
Tax Collecting Cup

### Ideal Drink:

Buttery Nipple Shots  
(It's an ode to Weiner-esque politics)

\* Every time taxes are mentioned pour a little bit of your drink in the Tax Collecting Cup in the middle \*  
If Social Security is discussed, the oldest person playing must drink the taxes collected in the middle \*  
If anyone mentions Sarah Palin, shotgun a beer. It's what she'd expect from a citizen of this great country, dontchaknow? \*  
For every misquoted bit of history, make up your own rule. According to politician, making stuff up is fun \*  
Every time a politician goes over the time limit allotted to answer their question, drink until the moderator finally gets them to stop talking. Good luck \*  
When the politicians start making sense, congratulations, you've won the game!

## Booze n' Cruise

### What you'll need:

Bus Fare or Current ISU ID

### Ideal Drink:

Vodka. It's easily disguisable. That is until you've drank enough that you can light your breath on fire or smell like a hobo.

\* When your bus driver waves at another bus driver, take a shot \*  
If you get up and give your seat to the elderly or disabled, take a shot in their honor. Feel free to toast them publicly \*  
For every new friend you meet, you can designate a shot to one of the other players. (That is assuming you have other players. You're drinking on the bus after all) \*  
When your bus driver uses the left lane to turn right, take a shot \*  
If one of the players gets too drunk, feel free to maroon them at a random bus stop. It's like a combination of Survivor and The Amazing Race \*

### "Blood"

#### THE MIDDLE EAST

Feeling emotional? Feeling like Ryan Gosling? This Aussie band made ears tingle in *Crazy Stupid Love* and *It's Kind of a Funnu Stor*

### "Don't Gotta Work It Out"

#### FITZ AND THE TANTRUMS

L.A.'s hardest working band is here to stay. As long as we're willing to partu and sau 'fuck off' to the haters.

### "Pineapple Girl"

#### MISTER HEAVENLY

Indie pop. Everyone likes it, even if you're afraid to admit it. Plus, this features peeps from *Island*, *Unicorns*, *Man Man*, and *Modest Mouse*. Oh, and Micheal Cera played bass in this band. It's like cocaine for an indie nerd.

### "The One That Got Away"

#### KATY PERRY

Sad boner ensues

### "Pac Blood"

#### DANNY BROWN

50 Cent wouldn't sign him because his jeans were too tight. Fresh off a tour with *Das Racist* and *Despot*, Danny's mixtape (XXX) goes harder than Usher's abs.

### "Brand New Guy"

#### ASAP ROCKY

Swag is biblical, lyrics are brutal, and flow is monstrous.

### "Humdrum Town"

#### THEOPHILUS LONDON

It's like Cudi if Cudi wasn't famous, didn't suck now, and dressed better.
